

Why Financing?

Overall benefits

Preserves capital
You don't need to use large amounts of capital upfront to purchase equipment.

Insurance
Protected by the insurance that can cover loss and damages*, even the asset is off-premises (for Notebook PC and mobile devices)

*Subject to the insurance policy

Even more benefits thru leasing

Easier to replace
As equipment is expensed over the lease term, it becomes easier to replace before obsolescence.

No need to dispose assets
For operating lease, you can simply return the equipment at the end of the contract.

Off-balance sheet
For operating lease, equipment valued at less than 150,000 Baht can still be treated off-balance sheet*.

*Please consult your accountant/auditor
